From London

To get to Wimborne from London: M25 J12 - M3 West - Come off at J14 to M27 Bournemouth & South West - M27 becomes A31 - Follow A31 until it becomes single carriageway - at next roundabout take 4th exit to Wimborne - turn right at next roundabout – pass Waitrose on your left and take the first exit at the next roundabout. Go straight over the next two mini roundabouts and you have to go right at the next traffic lights. You are now in West Borough. Try and park anywhere along this road as we are approx. 300m along on the right just before the next set of traffic lights. If you can't find a space along here then if you turn left at the traffic lights and then first right there is a pay and display car park 100 m on your left.

From the West A31

If you are approaching from the West via the A35 / 31 then turn left following signs to Wimborne from the A31 roundabout. Go over the river bridge straight on at the next mini roundabout bear sharp left in front of the square and then take the left hand lane and go straight on at the traffic lights. You are now in West Borough. Try and park anywhere along this road as we are approx. 300m along on the right just before the next set of traffic lights. If you can't find a space along here then if you turn left at the traffic lights and then first right there is a pay and display car park 100 m on your left.
